

Dear Sacramento Business Partner:

The PACE Parent Committee of John F. Kennedy High School is busy preparing for our **Third-Annual PACE Crab Feed and Silent Auction on Saturday, February 27, 2010**, at the Elks Lodge #6, 6646 Riverside Boulevard. Our goal is to raise much needed funding for PACE (Program in America and California Exploration), a college prep and honors program that serves more than 500 students at Kennedy High School (for more information about PACE, please visit us at www.jfkpace.org).

We are counting on the support of our neighbors in the Pocket/Greenhaven community and beyond, all of whom have a great stake in the future of all of our students. Your contribution of a gift certificate and/or items for our Raffle and Silent Auction would be greatly appreciated. Each donated item will be packaged and presented on one of our auction tables or as a raffle item, along with a business card and any printed materials you'd like to have accompanying your donated item. Additionally, your business name and contribution acknowledgement will appear in our printed auction program that each of our guests at the event will receive. Your company logo and website link will also be displayed on the dedicated PACE Crab Feed website, www.PACEcrabfeed.com

Monetary donations and/or business services offered toward the set-up and production of the evening's activities are also greatly appreciated!

All donations are 100% tax deductible. You will be provided with a receipt that includes the JFK non-profit tax ID number, along with a receipt, via mail/email, in March, following the event.

Thank you for providing your valuable support to our PACE Program. We wish you and your business prosperity in 2010 and for many years to follow!

Best regards,

Jeff Dominguez and Barbara Fukui
